SUNDAY & MONDAY IS OUR DAY OFF.

WE STAND BEHIND EVERYTHING WE DO...

Henriette Burger Bar stands for traditional cooking, without preservatives and flavor enhancers.

Everything in our Henriette is homemade with lots of love, just like Grandma used to make.

Since our grandmothers knew where the products on their plates came from, you should too.

Animal welfare and top quality, with partners from the region.

With pride and love for the best products and businesses from Mannheim and the region, we are pleased to present them to you.

Brot & Salz

Our juicy patties are made from the finest Hohenlohe beef, freshly ground and hand-shaped for you every day. Seared to perfection and seasoned classically with sea salt and coarsely ground pepper, they're sure to make any burger lover's heart sing. Experience the quality and ethical treatment of our animals for yourself.

Brot & Salz stands for quality, craftsmanship, and baking artistry. The deliciously fragrant, fluffy buns they make for us provide the perfect base for your burger.

We get the vegetables from dear Letizia, owner of the great shop, "Das Märktchen" in Schwaetzingenstadt.

"The best produce comes seasonally and freshly harvested from local farmers, most of whom we know personally." A visit is worthwhile, we promise!

Our hearty Bühlertal village cheese comes from the village dairy in Geifertshofen. It's also organic and made with love. Made from hay milk and naturally lactose-free.

For our homemade fries, we source the finest Palatinate potatoes from the Böhm potato farm. Hand-shaped into the perfect fry form and fried twice until crispy, they are the perfect complement to your burger.
